

March 2, 2011

Dear Parent/Guardian:

Welcome to the Kennedy Catholic High School Community! As your son or daughter begins this exciting time, we are pleased to be able to offer an opportunity to develop the skills necessary to meet the academic challenges of high school.

This summer, Kennedy Catholic High School is offering the members of the class of 2015 a High School Readiness Program. This enrichment program will focus on Writing and Reading Development as well as Math and Problem Solving Strategies. This course will assist students in refining and improving their academic and test taking skills and developing specific study skills.

This enrichment course is available only to students registered for KCHS. You may enroll for one or two weeks. The classes will run from 9am-12pm daily from August 1 - 12, 2011. Students are not required to wear their school uniform during these sessions. The deadline for registration is June 1, 2011.

Again, welcome and congratulations on joining the Kennedy Catholic family.

Sincerely,

Mrs. Samantha Black

Director of Special Programs
