Founded as St. Mary's High School 1924-1966

2017-2018 School Year Immunization Requirement for Meningococcal Vaccine

November 16, 2016

Dear Parent/Guardian,

By September 1, 2017, all 7th and 12th grade students MUST HAVE proof of having been given Meningococcal vaccine (shot) in order to attend school.

- Students entering **Grade 7 in 2017 must have 1 dose** of meningococcal vaccine. They will be required to get a booster at age 16.
- Students entering **Grade 12 in 2017 must have either:**
 - 2 doses of meningococcal vaccine with **the booster dose given on or after age 16**
 - 1 dose if your child's first dose was given on or after age 16
 -

New York State law will require parents/ guardians to give the school an immunization (shot) record that shows their child has received, or has appointment(s) to receive the required vaccine(s) (shots) in order to attend school. This record may be from a health care provider, health department, or an official immunization record from the child's former school. The record must include:

1. Name of the vaccine
2. Date vaccine given
3. Who gave it, along with their title; or where it was given if at a clinic

Please contact your health care provider to make sure your child has what they need to attend school next fall.

If you have questions or concerns about required immunizations, please contact the school nurse.
